What are Cash Points?

In addition to Clover Credits, members also earn Cash Points which can be redeemed for cash or can be used to pay in Circa 20, QUBE Cafe, Bootz Sports Bar, and Sporties Bistro & Bar. Every member earns 1 Cash Point per \$1 spend in Circa20, Qube, Bootz, Sporties Bistro & Bar and Bingo and 1 Cash Point per \$12 play in the Gaming Lounge. 100 Cash Points = \$1. Premier, Executive and Marquee Members are entitled to a Cash Point Multiplier when playing the gaming machines (see table opposite). Redeeming your Cash Points will not affect your level, only your Clover Credits Balance is used to determine what level you are in. You can view your Cash Points Balance and Clover Credits Balance on the entrance kiosk.
